ABOUT NATIONAL GEOGRAPHIC SNORKELER AND SWIM

The National Geographic Snorkeler product lines produced by FAIC are specifically designed to meet the needs of those embarking on water-based expeditions. The variety of products available within these lines will suit users of all skill levels. The National Geographic Snorkeler line is available in three series:

NATIONAL GEOGRAPHIC EXPLORER SERIES—This line features the highest-quality equipment, intended for use at extended range and depth by serious, experienced snorkelers. The Explorer Series is dive-industry appropriate.

NATIONAL GEOGRAPHIC EXPEDITION SERIES—This mid-level line blends features of products in the Explorer Series and Experience Series to give you great functionality at a great value.

NATIONAL GEOGRAPHIC EXPERIENCE SERIES—This line offers the most economical equipment for beginning snorkelers. These products maintain high-quality fit and performance.

The full line of National Geographic Snorkeler products is available as...

- Sets consisting of a mask, fins, and a snorkel
- Combos consisting of a mask and snorkel
- Individual items—masks, fins, and snorkels—that are individually packaged, allowing you greater flexibility to create the set that will best fit your personal needs

THE NATIONAL GEOGRAPHIC SWIM LINE—Our swim line offers a wide array of high-quality products, including triathlete swim masks, goggles, swim caps, swim gloves, pool fins, and more. The quality, fit, and function of these items equals or betters the performance of other top-name swim products.

NATIONAL GEOGRAPHIC KIDS SNORKELER AND SWIM SERIES—Our kid-size products are specially selected to help provide children with a comfortable experience in the water, so these young snorkelers and swimmers can focus on creating great memories. Positive experiences in the water will allow children to appreciate and respect the aquatic world.

ABOUT FLORIDA ATLANTIC INTERNATIONAL CORP.

Founded by a team of water-sports veterans, FAIC takes pride in bringing an unequalled value-to-performance ratio to water-sports enthusiasts, regardless of their level of expertise. Designed to fit and function beyond users' expectations while delivering memories meant to last a lifetime, FAIC produces "Exceptional Gear for the Water Enthusiast™".

ABOUT THE NATIONAL GEOGRAPHIC SOCIETY

Thanks to the support of people just like you, the National Geographic Society has grown to be one of the world's largest and most respected nonprofit organizations.

EXPLORER SERIES

Equipment in the Explorer Series is of the highest quality. It is intended for use at extended range and depth by serious, experienced divers. The Explorer Series is dive-industry appropriate, with quality equal to or greater than most other diving gear designed for recreational activities.

EXPEDITION SERIES

The Expedition Series offers a blend of products found in the Explorer Series and the Experience Series to offer a great range of utility at a great value. This series is appropriate for all types of snorkeling and can easily cross over to be used in entry-level diving activities as well.

EXPERIENCE SERIES

The Experience Series provides economical, entry-level snorkeling gear. It is the best choice for beginners who want to experience the thrill of underwater exploration for the first time. This series maintains a high level of quality, fit, and performance while remaining affordable for the whole family.

CARRYING BAG

The National Geographic Snorkeler Carrying Bag packaging is designed to minimize the waste entering landfills while maximizing utility. The Carrying Bag can be used to comfortably carry your snorkeling equipment to and from your water-based activities time and time again!

This packaging is in keeping with National Geographic Snorkeler's commitment to protecting the environment.

PRO MATCH/PRO FIT

Why does National Geographic Snorkeler gear fit so much better than other equipment? It's the pro match and pro fit!

At National Geographic Snorkeler, great care has been taken to consult with dive industry professionals that assist us in creating and matching appropriately sized equipment.

Each set and combo is carefully matched to give you the best comfort and fit for your size. You get the convenience of a customized dive-pro fit with every product you purchase.

MASKS AND GOGGLES

SWIM EQUIPMENT

Z-9 SWIM MASKS—This family of swim masks incorporates the best features of both snorkeling masks and goggles to give maximum comfort and seal reliability. The single-construction skirt adds comfort by evenly spreading the pressure of the seal over the forehead and cheekbones. The replaceable silicone mask strap can be quickly adjusted using the same Ratchet Quick Lock (RQL™) design found in the Nat Geo Snorkeler mask series. A simple pull tightens the strap and the press of a button releases it.

- Hypoallergenic liquid silicone skirt
- Ergonomic lens design for a 180° view with minimal distortion
- Scratch-resistant lenses made of high-impact composite polycarbonate
- UV and antifog protection
- Two lens colors available: smoke and clear
- Ratchet Quick Lock (RQL™) strap adjustment
- Free mesh carrying bag

Z-289 GOGGLES

- Hypoallergenic silicone gasket and strap
- Ergonomic lens design for a wide-angle view
- Scratch-resistant lenses made of high-impact composite polycarbonate
- UV and antifog protection
- Two lens colors available: smoke and blue sea
- Ratchet Quick Lock (RQL™) strap adjustment
- Free mesh carrying bag

Z-814 GOGGLES

- Silicone strap and one-piece TPE gasket
- Scratch-resistant lenses made of high-impact composite polycarbonate
- UV and antifog protection
- Two lens colors available: crystal clear and amber
- Free mesh carrying bag

Z-168 GOGGLES

- Hypoallergenic silicone gasket and strap
- Scratch-resistant lenses made of high-impact composite polycarbonate
- UV and antifog protection
- Two lens colors available: smoke and blue sea
- Ratchet Quick Lock (RQL™) strap adjustment
- Free mesh carrying bag

Z88 GOGGLES—These high-quality, comfortable goggles are intended for endurance and strength-building swimming. They are ideal for workouts.

- Polycarbonate, high-impact lenses
- Ergonomic lens design for a wide-angle view with minimum distortion
- Easily adjustable silicone head strap
- Adjustable nose bridge for optimum fit and comfort
- UV protection

Z-388 GOGGLES

The Z388 are designed to provide the greatest visibility. The oversized, ultra durable lens offers expanded, 180-degree visibility. The one-piece anatomically designed frame made of pliable hypoallergenic material adds to the comfort and performance.

- Ratchet Quick Lock (RQL™) strap adjustment
- One-touch, Quick-Fit Buckle for perfect fit with simple adjustments - even while wearing
- Anti-fog and scratch resistant lens add to the overall experience

SUITS

NATIONAL GEOGRAPHIC SUITS

National Geographic Snorkeler Wear is a selection of products meticulously constructed from materials at the leading edge of water-wear technology. Each item is cut to fit as if it was customized for the buyer, yet National Geographic Snorkeler Wear is readily available and affordably priced to wear right off the rack. The neoprene products are made from Silprene™, an extremely flexible, durable material that maintains a supple feel through a blend of silicone balanced with microscopic nitrogen bubbles injected into the material during manufacturing.

98 DEGREES SHORTY SUIT

98 DEGREES SHORTY SUIT

- Made of Silprene™ and Nylon 2 with a back zipper
- Provides core warmth and protection
- Bike leg and mid-length sleeve design
- Available in a full range of men's and ladies' sizes for unequalled fit, warmth, and performance

NEOPRENE SUIT SIZES AVAILABLE:
LADIES': XS, S, M, L, XL
MEN'S: S, M, L, XL, XXL

98 DEGREES FULL SUIT

98 DEGREES FULL SUIT

- Made of Silprene™ and Nylon 2 with a back zipper
- Provides full-body warmth and protection
- Long leg and full-length sleeve design
- Available in a full range of men's and ladies' sizes for unequalled fit, warmth, and performance

NATIONAL GEOGRAPHIC SUITS

RASH GUARDS

GEO SERIES RASH GUARDS

A welcome addition to the National Geographic Snorkeler Classic Rash Guard line, the Geo Series gives you more choices, designs, and colors to add to your water-sports locker. The Geo Series features a smartly designed and placed logo that speaks to the explorer in each of us. Collect these rash guards as your expeditions take you around the world—they're a great way to show off your experiences. The rash guards in this series feature tie-down straps, like those found in the Classic Series. New internal print tags mean zero rubbing for maximum comfort. The ladies' designs feature a full chest logo, while the men's designs have the logo on the left breast.

98 DEGREES, CLASSIC RASH GUARD

- Extreme UV protection
- Ideal poly-span blend fabric for durability
- Immersion-dyed materials to withstand the toughest elements
- Dual-strand nylon thread flat stitching to avoid chafing
- Short- and long-sleeve designs available in a full range of men's and ladies' sizes for unequalled fit, warmth, and performance

LADIES' SHORT SLEEVE

MEN'S SHORT SLEEVE

A bonus zippered neck comes on long-sleeve designs for added comfort.

All rash guards have a tie-down tab.

Classic Ladies' Black/Yellow rash guards and Classic Men's Black/Grey rash guards are available in Long and Short Sleeve

All other Men's and Ladies' Short Sleeve Rash Guards available in:

- Royal Blue/White • Royal Blue/Yellow
- Blue/Navy (Ladies' only) • Navy/Blue (Men's only)

Mens' sizes: XS, S, M, L, XL, XXL

Ladies' sizes: XS, S, M, L, XL

SNORKELING AND DIVING ACCESSORIES

ACCESSORIES

MASK STRAP—Add one to your favorite Nat Geo Snorkeler Mask for the ultimate comfort. It never pulls or pinches and goes on and comes off smoothly. The wide strap distributes grip over a greater area, making it feel like you're not wearing anything at all.

NEOPRENE MASK STRAP COVER—Use the hook-and-loop opening feature to quickly add this cover over the existing strap of any mask. Once you experience the comfort of a Neoprene Mask Strap Cover, you'll never go back.

GLOVES—Protect your hands from anchor and buoy lines, egress ladders, and more (but remember not to handle animals while wearing them). Made of Silprene™ and Nylon 2 and flat stitched for comfort and warmth. A hook-and-loop closure ensures a snug fit around your wrist.

Available in S, M, L, XL

FIN STRAP COVER—Make your fins feel as good as National Geographic Snorkeler fins. But remember that nothing performs like Nat Geo Snorkeler products!

FITTED NEOSOCK—These socks are an amazingly comfortable and practical solution to improved performance and comfort from your fins. The plush neoprene inner sole and carefully placed seams make for optimal comfort, and the nonskid pattern on the soles allow for improved footing. The heavy-duty mesh scuppers allow for ease of draining. The neoprene uppers eliminate chafing and make fins fit even better.

Sizes Available:

XXS (5-6)	XS (6-7)
S (7-8)	M (8-9)
L (10-11)	XL (11-12)
XXL (12-13)	

SUNGLASS STRAP—

Keep track of your shades, even when your hands are full. (Sunglasses not included.)

ANTI-FOG SOLUTION—This spray keeps your sport glasses, lenses, or masks fog free. It's a must-have for your clear viewing pleasure.

Available as single bottles or in a 24-bottle bulk pack.

ACCESSORIES

BASEBALL CAPS FISH ID CARDS

NATIONAL GEOGRAPHIC BASEBALL CAPS

These caps were designed with the water enthusiast in mind. The one-size-fits-most styling features a hook-and-loop closure. The visor, made of a nonabsorbent material, is covered in the same soft, comfortable cotton that the rest of the hat is constructed from. Wear these hats with pride. They let everyone know where you'd rather be!

FISH ID CARDS

Fish sighting and identification is the number one reason that snorkelers take to the water. Maximize your adventure and experience with the geographically specific ID cards. Add a lanyard (below) for ease of use.

- Caribbean Reef
- Caribbean and Florida Marine Invertebrates
- Beachcomber's Delight—Caribbean, Bahamas, and Florida
- Australia Barrier Reef, Coral Sea and Fiji Reef
- Florida Reef

- Hawaii Reef
- Pacific Coast Inshore
- West Pacific and Indonesia
- Micronesia and Guam Reef
- Red Sea Reef

ADJUSTABLE LANYARD—Secures Fish ID Cards to avoid losing them at sea.

HEAVY DUTY NATIONAL GEOGRAPHIC SNORKELER VEST WITH HI-VIS 3M™ PIPING D-RING & HD ADJUSTABLE STRAPS

National Geographic Snorkeler accessories are constructed from materials at the leading edge of water-wear technology. The Heavy Duty Snorkeler Vest allows a snorkeler to comfortably rest on the surface or effortlessly glide through the water. The heavy duty adjustable waist and crotch strap allows for a wide range of sizes.

The attachment D-Ring is perfect for holding your lanyard on the Nat Geo Fish ID Card. An attached whistle for a distress call if needed.

- HI Visibility 3M™ Piping
- D-Ring is perfect for holding your lanyard on the NAT GEO Fish ID Cards as well as any other accessory that you may take to the water
- Adjustable Heavy Duty waist and crotch strap
- Attached whistle for distress call
- Available in 3 sizes: SM, STANDARD & XL

NATIONAL GEOGRAPHIC STANDARD SNORKEL VEST

The Snorkel Vest allows a snorkeler to comfortably rest on the water's surface or effortlessly glide through the water. The adjustable waist and crotch straps allow one size vest to fit most. The D-ring attachment is perfect to hold your Lanyard or Fish ID Card. The pocket is designed to fit a Fish ID Card and minimize drag in the water.

Care should be taken NEVER TO PLACE ANY SHARP OBJECTS IN THE POCKET. A mesh bag is included.

SNORKELING VESTS ARE NOT A SUBSTITUTE FOR A SWIMMER'S ABILITY. FOLLOW ALL INSTRUCTIONS AND TEST BEFORE EVERY USE.

TORPEDO FLOAT

The Torpedo Float is a must-have for added safety so you can let others know where you are. Whether swimming, snorkeling, or diving, anytime you are undertaking any water-based activity, you'll want to have this safety device nearby. Ready to use out of the bag, it includes everything you need and is packed in a free mesh bag. The attachment points on the float are a great stabilizer, but care should be taken not to overweight the float. Test in shallow prior to deploying.

THE TORPEDO FLOAT IS NOT TO BE USED AS A FLOTATION DEVICE

Wherever your adventure takes you, **Marina Trench™ Dry Bags** will do the job!

**MARIANA TRENCH™
DRY BAG DLX BACKPACK 65L**

- Triple-roll lock-out chamber
